FADE IN:

INT. LIVING ROOM - DAY

KENNY, (20's), locks a camera onto a tripod, presses record and takes a seat. Not knowing what to say, he simply... waves.

INT. LIVING ROOM - LATER

He uploads the video onto "YouTube" and entitles it: "Valentine."

INT. GIRL'S BEDROOM - DAY

Two TEENAGE GIRLS are fixated on the computer monitor. They share a pair of headphones. Revealed on the computer monitor is Kenny's video, who holds a picture of JANE, (20's) who is in full desert combat dress.

Precisely at the same time, the Teenage Girls wipe away a tear. They share the video via their "Twitter" and "Facebook" accounts.

INT. TUBE - DAY

A COMMUTER watches Kenny's video on his Ipad. Out of the corner of his eye, he spots a LOVING COUPLE, who hold hands and share an Eskimo kiss. The Commuter politely interrupts them and hands over his Ipad.

They too begin to watch the video.

KENNY'S VIDEO

Kenny approaches, kisses his fingers and places them on the lens before going out of view as the clip ends.

Uploaded five months ago... 999,999 views ticks over to one million... comments run over twenty pages in various languages - all loving and positive.

EXT. BEACH - NIGHT

A MOTHER and her YOUNG DAUGHTER watch the sun set. They kiss a FAMILY PICTURE - a husband and his wife with their daughter. They were a family. Emotions run high.

Together, they release the picture into the sky and into the world. Lying on the sand is a laptop which plays Kenny's video.

INT. LIVING ROOM - DAY

Kenny dresses the Christmas Tree, it's more like an act to fit in with everyone else during the Festive Season. He gives up and flops down on the sofa.

In his direct line of vision is a treat - dozens and dozens of pictures of him and Jane together all over the wall.

CAMERA POV - DAY (FLASHBACK)

Kenny comes into view after pressing record and takes a seat. Not knowing what to say he just... waves. He leans down beside him to pick up the picture of Jane, who is in her full desert combat dress.

KENNY

She's the most beautiful and bravest girl I knew... Second Lieutenant Jane Marie Carver... This is the first... this is the Valentine's without her and I wanted to... I wanted to leave one last Valentine's gift that will... last 'til the end of time. I don't know how many people will watch this but... as long as I know it is there for people to watch... she lives, not just with me but with everyone who watches or shares it.

Kenny approaches the camera, kisses his fingers and places them on the lens.

KENNY

I've had five extraordinary years with her, now the world can be a part of the years to come.

Kenny goes out of view and we --
