INT. HOSPITAL PRIVATE BEDROOM - VALENTINE'S DAY

MARC, a smart, mid-thirty year old man who studied science and physics, is laying on his bed and he staring at the ceiling through a near-by window. He was in the Hospital to do a normal Check-Up, but they found a Tumor in his Head and gave him the Information that he will be dying of Cancer soon. The Tumor is to spread already. He looks sad and his face-skin is pale. We see him working on all his life issues in this shaky moment of truth. He thinks of all his beloved friends and their quality moments. And then the Idea of DEATH.

DOCTOR, a forty year-old, long and thin man, coming from Germany and with Glasses on, enters the Room.

DOCTOR

Hey MARC! How are you today? Did you sleep a bit last night?

MARC

No. Thanks.

DOCTOR

What do you mean? No, you did not sleep well? I am very sorry to hear so. I will give you a Valium-Pill later. You do not have to thank me. I only do my job.

He Kisses Him on the Fore-Head.

MARC

What do you want?

DOCTOR

Well, today is a good day for you, MARC. Your Friends are waiting outside to see you!

MARC

Oh Wonderful.

DOCTOR

Oh come on! You will show them your Best Sunday Smile, will you?!

MARC

Yeah. OK.

DOCTOR

I will let them in now. See you later MARC! Lighten UP a Bit will you?!

MARC  
... Yeah Right!

The DOCTOR leaves the Room and when the Door opens next five young pals of the age from 29 to 32 enter the Room. MARTIN, JOEY, PETER, HARDY and TIM are all studying with him at the Cambridge University and they smile at him.

MARTIN  
Hi Man. Good to SEE Ya.

JOEY  
Hey Baby-Boy. Hey!

He Kisses Him on the Cheek.

MARC  
Go Away.

PETER  
Good Day MARC!

Throws a Kiss through Air.

HARDY  
Hi There. Looking good in here.

TIM  
I am sorry. I cannot do this.

MARC  
It's okay TIM. I am sad too. I cannot cry anymore. My tears ran dry now.

TIM  
What about me? Who is going to give me strength now?

He is close to tears.  
I WILL MISS YOU! YOU CANNOT LEAVE  
ME ALONE!?

He is crying. PETER hugs TIM. MARC is shaking.

MARC  
Come here.

TIM is kneeling down in front of the Bed and kisses MARC on his Hand 47 times. HARDY, PETER, JOEY AND MARTIN stand ARM in ARM watching MARC and TIM until Night-time.

MARC (CONT'D)  
I LOVE YOU GUYS AND TIM, I WILL  
ALWAYS BE WITH YOU, IN YOUR HEART!

FADE OUT.
