**INT. OFFICE - DAY**

SHEILA (mid 40s), KATE (mid 30s) and IZZY (late 20s) sit at a bank of desks. Izzy is pretty, well-groomed, Slone-esque.

MANDY (late 20s, a little scruffy) arrives.

MANDY  
Morning all...

The others murmur 'good morning' pleasantly back to her.

She sits at her desk and turns on her computer.

MANDY (CONT'D)  
So... everyone get lots of  
Valentines cards this morning?

SHEILA  
(without looking up from  
the PC)  
Hmph... The decree nisi would be  
more preferable.

Kate frowns at her sympathetically and then looks at Mandy.

KATE  
Craig'll get some flowers from the  
petrol station later I reckon. How  
about you?

MANDY  
Nothing as yet, but I'm holding out  
hope for the second post.

Kate smiles at this.

MANDY  
So... anyway, what about you Izzy?  
What did the gorgeous Rob do?

Izzy looks bashful.

IZZY  
Oh, well he made me breakfast in  
bed this morning...

KATE AND MANDY  
Ooooooh!

IZZY  
(apologetically)  
Yeah, I know. He's really into it.

Mandy looks at Kate as if to say 'sweet' but Kate doesn't really respond.

Just then the POST GUY comes over carrying a huge bunch of flowers. All the women watch him, hoping, hoping...

He puts the flowers on Izzy's desk. She laughs nervously. Kate's smile sours, Mandy looks on in awe, Sheila raises an eye-brow.

Izzy looks at the card, which says: 'To my darling Iz, Love Rob xxx'.

IZZY (CONT'D)  
Oh, they're from Rob...

The others make faux - surprise noises, Kate and Sheila through gritted teeth.

#### **INT. OFFICE - LATER**

Home time. Izzy puts her coat on and gathers her things.

IZZY  
Better get off... Rob's cooking something special tonight.

The others smile politely. Even Mandy only manages a subdued 'Aw'. Izzy walks off.

KATE  
(under her breath)  
Mr. Perfect...

#### **INT. STREET - DAY**

Izzy grins widely as she walks along the street carrying the flowers.

#### **INT. IZZY'S FLAT - DAY**

Izzy enters. The flat is silent. She is still smiling as she puts the flowers on the table.

#### **INT. IZZY'S BEDROOM - DAY**

In a surprisingly tacky, very pink bedroom Izzy walks over to large poster of Robert Pattinson. She leans up and kisses 'him' on his face.

IZZY  
Thanks for the flowers, baby. Happy Valentines Day.

She stares intently into his eyes as if she's really there in the movie with him.
