INT. THE HOLDEN'S DINING ROOM - NIGHT

At a romantic candlelit dinner, Gaby (elegant brunette, late thirties) raises her black champagne glass towards Rick's (he's attractive, early forties) her hazel eyes are empty.

GABY  
Happy Valentines day Rick.

RICK  
Here's looking at you kid.

Glasses clink, Gaby gives a hollow smile, starts to eat slowly. Rick keeps speaking but we only see his lips moving, hearing Gaby's thoughts.

GABY VO  
Think you're Humphrey sodding  
Bogart don't you! Working late, too  
tired ugh! I want rip off your head  
and crush your tiny balls, see how  
much your teenage tramp wants you  
then!

GABY  
Pass the salt please.

RICK  
(volume returning) Begs me to give  
her one as well, so I had..

Gaby's eyes widen, Rick doesn't look up passes the salt and starts to eat his chicken, then looks lovingly at his wife.

RICK  
Mmm perfection, chicken is pretty  
amazing too, wow I am..(fades)

GABY VO  
Screwing my PA, covering her  
silicone stuffed body in cerise and  
black lingerie. I should have  
poisoned your damn chicken. Why  
can't you have a nut allergy? We're  
well insured and I have plenty of  
little black dresses.

Gaby feels a hand move her hair and gets a shock, Rick is now crouching by her, he starts kissing her neck.

RICK  
You're miles away, I know work's  
been manic lately but I'm all yours  
now, my sizzling valentine.

(CONTINUED)

Rick kisses Gaby's throat and shoulder, her eyes blaze but she keeps her cool, heartbroken Gaby looks across to a dozen fresh cerise pink roses and their blissful wedding photo, as another Gaby walks into shot.

GABY 2

Kick him in the nuts, stab him,  
tell him you saw them, today  
shopping! Don't just take this.

Rick is getting hot and heavy as he maneuvers Gaby towards their bedroom, she is torn, confused and totally overloaded.

RICK

So what's this surprise Mmm, you  
sounded so excited earlier.

GABY 2

Don't tell him, doesn't deserve to  
know now, make a lousy father  
anyway, two timing bastard.

RICK

Oh Gaby, I've missed you, hard rock  
Ricky has been a very, very bad  
boy.

INT. THE HOLDEN'S BEDROOM ROOM - NIGHT

That's the final straw, Gaby snaps and begins to clench her fist, just as Rick opens the door, laying on the bed is the cerise and black lingerie, Gaby gasps in sheer relief.

RICK

You don't like it? I had to ask  
Phoebe to help me, too embarrassed  
to go in there myself, I just wan..

Gaby grabs Rick kisses him passionately, Rick responds and picks up his wife carrying her towards their bed and out of frame.
