**INT. BAR - NIGHT**

Someone starts playing the piano. The red entrance door suddenly opens. **HUGH** comes in sight. He is nervous. He looks around and sees the **WOMAN** playing the piano. He gets sweaty. He opens the door and goes out.

**EXT. BAR - NIGHT**

Outside is **JANINE**. She looks at him coming toward her.

HUGH

I can't do it.

JANINE

What are you talking about?

HUGH

She can't possibly like me.

JANINE

Yeah, you've got a point. That's why she invited you for a drink at the bar on Valentine's day. God knows what she's thinking! Com'on... what'd you want? The girl naked on a plate?

Hugh thinks things over in his silly but cute way.

HUGH

She's too hot.

JANINE

You are the hot one, you are the sexy cool guy, you are better than... which actor did you say she fancies?

HUGH

Johnny Depp.

JANINE

You are hotter than Johnny Depp.

HUGH

Excessive compliments don't boost my confidence. Keep it low.

Janine gives him a slap on his face.

JANINE

Wake up! Go get her!

HUGH

Gee! I wish you'd come with...

JANINE

Hey, I have my life too...

HUGH

Yeah, you've got Roy... lucky you. You're not gonna die alone.

JANINE

Go inside. I'm late for my date.

Hugh does as she says.

**INT. BAR - NIGHT**

Hugh gets inside. He sees the woman sitting in the bar alone. A grin spreads across his face. He looks in all directions except hers, trying to look cool. Suddenly he notices she is looking in his direction. He smiles and starts walking towards her. But suddenly a **MAN** passes in front of him. The man greets her and kisses her passionately. Hugh is devastated. He turns his back and heads to the door silently.

**EXT. BAR - NIGHT**

Hugh gets out to the dark, empty street. He takes out a cigarette but the lighter doesn't work. He throws it away in anger. Then he notices Janine sitting on the curb smoking with a sad look. She is shocked to see him. He is puzzled.

JANINE

Why did you leave?

HUGH

Total failure. But what are you doing here?(no answer) Roy? (she shakes her head 'no', he realizes) Oh my God! I didn't know you were...

JANINE

(sobbing)

Please don't talk.

Hugh takes her in his hands and kisses her. She is crying from happiness now.

**THE END**
